FOR INTERVIEWS EMPHASIZING MIKE
SHREVE'S TESTIMONY AND HIS BOOK,
"IN SEARCH OF THE TRUE LIGHT"**

Mike Shreve has been involved in Christian **evangelism** and **missionary** work since 1971, with offices in Cleveland, Tennessee. He is the founder and director of **Deeper Revelation Books** publishing company, and the visionary behind **The True Light Project**, an outreach to followers of non-Christian worldviews. Prior to salvation, Mike was a student of an Indian guru, a teacher of yoga at five Florida universities and the director of a yoga ashram in Tampa, Florida. His popular book titled, *In Search of the True Light*, tells the story of his conversion, as well as comparing the beliefs of over 20 religions. This book is quite unique in clearly defining true Christianity, yet at the same time, reaching out with love and gentleness to adherents of other religions—which is a welcome and needed approach indeed!
