**Immigrant from Brazil  
Former Spiritist Medium  
Published Christian Author**

## About Me

Ivani Greppi was born in Brazil. Her ancestors were spiritist mediums. Throughout her childhood, Ivani experienced seeing spirits. At the age of 14, in Brazil, she was indoctrinated into Umbanda, a spiritual practice derived from the African Yoruba, Ifá faith, syncretized with spiritism and Roman Catholicism. In 1997, she met a Brazilian missionary pastor in Florida who led Ivani and her family to salvation in Jesus Christ.

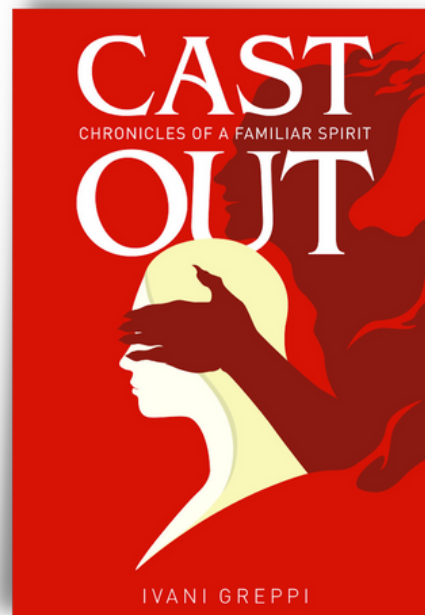

Ivani is a registered nurse who lives in Florida with her husband Maciel. Her personal transformation story, in English and Portuguese, is found on the comparative religion website: [www.thetruelight.net](http://www.thetruelight.net). She also shares her conversion in a mini-book titled *FROM SPIRIT GUIDES TO THE HOLY SPIRIT* (a free download on her [website](http://www.thetruelight.net)). Ivani often compares her former mindset with the biblical worldview she now embraces. In interviews and seminar presentations.

How does a familiar spirit—a demonic entity—an evil imp—gain entrance into a family line and remain there for centuries? How does such a dark power transfer from one generation to the next—refusing to yield its turf? This fictional story, titled *CAST OUT*, is based on Ivani's and her ancestors' spiritual and immigration journey across three continents, spanning one hundred years. Since becoming a Christian, Ivani dreamed of writing about her family's dangerous experiences with spiritism, her ancestors' fascinating immigration history, and ultimately their salvation in Jesus Christ.
