**MIKE SHREVE (B.Th., D.D.)**

## NEW BOOK RELEASE

Mike Shreve's newest offering, *The Beliefs of the Catholic Church*, is an apologetic masterpiece. The subtitle reveals the informative and enlightening content: *25 Questions Comparing Doctrines, Practices, and Traditions to Scripture*.

Every major belief in Catholicism is contrasted with the biblical view. Subjects examined include the office of the pope, infant Baptism, the exclusive priesthood, Holy Communion, Confession, devotion to Mary, the canonization of saints, praying to the saints, Purgatory, indulgences, and much more.

It is written with kindness and compassionate consideration of the sincerity of those who embrace this traditional expression of Christianity.

A PDF of sample chapters is available upon request.

## BACKGROUND IN CATHOLICISM

Mike Shreve was raised Catholic by parents fervent in the faith. As a child, he received the sacraments: Baptism, Holy Communion, and Confirmation. He went to parochial school, served as an altar boy (second from the left), and seriously contemplated the priesthood. At a pivotal point in his life, he was on his way to the monastery when an unexpected crisis, requiring a miraculous, divine intervention, redirected his life dramatically. Having experienced Catholicism firsthand, he can respond to this belief system that is embraced by 1.3 billion adherents.

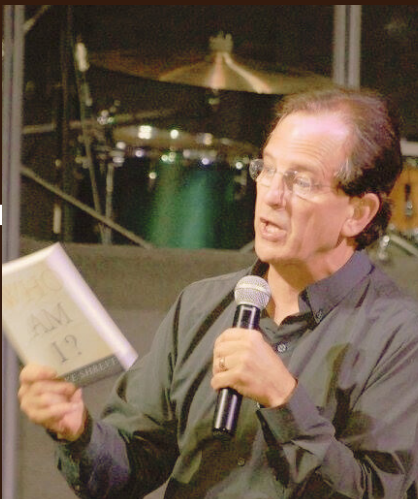

## FINDING JESUS DURING "THE JESUS REVOLUTION"

As a teenager, Mike Shreve turned from his Catholic upbringing, eventually becoming a rock musician. That lifestyle led to a near-death experience during his freshman year at college. Desperate for truth, he turned to eastern religions: studying Kundalini Yoga personally under a guru, then eventually teaching it at four universities and forming a yoga ashram in Tampa, Florida. Thankfully, the heavenly Father intervened, leading him to a personal encounter with the Lord Jesus Christ that dramatically changed everything. Yes, in 1970, he was truly "born again."

## OVER 50 YEARS OF EVANGELISM

Since 1971, Mike Shreve has been devoted to evangelism, preaching God's Word in churches, auditoriums, tents, and stadiums, in the U.S. and 12 other nations, including India, Liberia, Nigeria, and Costa Rica. In churches and conferences, the focus is usually the revelation of our spiritual identity as children of God, with an added emphasis on salvation, healing, and the prophetic, as the Spirit of God leads.
